# CREATE & **celebrate**

Wishing for more creative options? Add a personal touch to all your special moments.

Inspire others by sharing your story using #SUDifferenceMaker.

It's simple! We put people first. It's one of our core values: we don't just say it, we live it.

Our demonstrators regularly plan coordinated events to support worthy causes within their communities. There's also the Heart of Stampin' Up!, which is an application-based scholarship that offers demonstrators and employees the chance to give back to a charitable cause they are passionate about.

Every day, our demonstrators and customers put people first just by doing what they love. They welcome new friends into their homes and hearts to craft handmade cards together. Then they share those cards to celebrate, congratulate, and lift spirits.

People are the reason we do what we do, and paper crafting is the way we do it. We invite you to join us!

CEO

IT HIT ME WHEN I FOUND MYSELF STRANDED, ALONE IN THE ARIZONA DESERT.

Okay, I wasn't really stranded or alone, it just felt that way at times. My husband, Sean, and I had just relocated to Arizona for school. I had never lived away from my hometown, and for the first time in my life, I was homesick. I missed my family and friends.

I needed connection and a sense of belonging, but with our first baby on the way, it wasn't an ideal time to start a new job. Plus, I had no reliable transportation. Our only car was on a tight schedule, hauling Sean back and forth between work, school, and home.

It took some time for it to dawn on me. Maybe I took it for granted because it was always there: I grew up with it. I always loved it, but I never really needed it. Until now.

This time "alone in the desert" helped me truly appreciate and understand why my mom started Stampin' Up! In that moment, I signed up to be a demonstrator and an official part of this amazing community.

Stamping is creative and fun! I've found that when I invite new people to stamp, it's easier to get to know them and create friendships that last.

Stampin' Up! is a paper crafting company with people at its heart. People make the difference—stamps, ink, and paper make it possible.

Come stamp with us! We're happy you're here.
